

The Arthur Companies & King Arthur Sustainability Partnership Application

Bronze Tier Application

The Arthur Companies, Inc. (ACI) has partnered with King Arthur Baking in establishing a sustainability program for locally grown North Dakota Hard Red Spring Wheat. The incentive program starts at the field level with wheat growers who are dedicated to practicing sustainable and regenerative agriculture on their farm operation. This application form is designed to enroll the grower's wheat acres and ensure the grower will practice under the BRONZE TIER of the King Arthur Baking program.

PROGRAM YEAR 2025

Name: _____

Address: _____

Phone Number: _____

Email: _____

Arthur Companies Agronomist: _____

Number of wheat acres enrolling: _____

Bronze Tier Requirements

- Attend specific training(s) by ACI
- Complete soil testing as required
- Maintain data on enrolled fields
- Complete year end surveys by ACI
- Practice at least ONE core practices: **CIRCLE AT LEAST ONE**
 - Reduced till management (recommended)
 - Cover crop after wheat

- Nutrient management: VRT, split nutrient management, enhance efficiency fertilizer, subsurface nutrient placement
- Crop rotation: 2 different cash crops in 4 years

I hereby agree to accept the terms of this application with The Arthur Companies and King Arthur Baking Sustainability Program and will hereby practice the regenerative agriculture practices I chose above on my fields for the period in which this program entails.

Signature: _____

Date: _____

Field names, acres & legals:

Please complete the field data to the best of your knowledge

Note: Field listed below will be enrolled and regenerative ag practices must continue on field regardless of crop grown during crop rotation years.
